## **BOARDING CONDITIONS**

### **BOOKING/PAYMENT TERMS**

All fees are payable on collection of your animals. We accept payments by most major credit/debit cards or cash.

A deposit of €50 is required for new customers before your booking can be accepted, payable through bank transfer, card or by Revolut. This deposit is non-refundable and non-transferable under any circumstances and is offset against administration.

A telephone enquiry/provisional booking is not accepted as a booking. To reserve a place for any animal, a completed booking form is required from all customers before a booking is accepted. As we operate on a 'first come, first served basis with bookings, it is essential that booking forms and deposits are received by return to avoid disappointment.

First time stays are only accepted for boarding when they arrive in the morning. This helps your pet to settle during the daytime hours and get used to their new surroundings.

Inspection of our boarding kennels & cattery is very much welcomed but only by prior arrangement.

### **INOCULATIONS/VACCINATIONS**

All dogs boarded must hold a current vaccination certificate and have been inoculated against Distemper and Hardpad plus Parvo-Virus within the last 12 months. Inoculation against Infectious Bronchitis (Kennel Cough) is also required.

All cats boarded must hold a current vaccination certificate and have been inoculated against feline influenza and feline enteritis within the last 12 months.

### **MEDICAL**

If your pet has any special dietary requirements or special medications these will also need to be supplied.

In the event of your animal falling ill during boarding we reserve the right to call in a veterinary surgeon. All costs to be borne by the owner. This will include any veterinary call-out charges, transportation etc.

It is emphasised whilst every care and attention is given, the proprietors accept no responsibility for injury due to your animal's behaviour whilst boarded in the kennels.

### **BELONGINGS**

We recommend that owners bring familiar bedding and or toys to help your pet settle into the kennels.

### **ABANDONED ANIMALS**

In the event of an animal not being collected within 14 days of the departure date, we will try to trace/communicate with the owner/contact before proceeding with legal action.
